

Dear customers

In the response to the Coronavirus pandemic, we have been monitoring the situation closely, amending our working practices and responding as required. We are following closely and implementing guidelines from the Government and health organisations in respect of Covid-19. The health, safety and well-being of our staff and clients is of paramount importance to us.

This situation is unprecedented and we don't have all of the answers but we shall endeavour to continue to work with our clients to ensure that we continue with 'business as normal' as much as we are able.

Our offices are closed to the public in line with the government legislation relating to Covid-19.

We are writing to you to let you know that we are operating our business remotely and are available to assist you with any enquiries with regards to purchasing, selling, renting or letting properties.

Scott is progressing our sales, liaising with solicitors and working towards exchange of contracts (business as usual). Please email scott@cricketts.co.uk or call 01635 43333.

I shall be available to discuss any properties which we are currently selling and I shall keep in touch with our vendors. Please call 01635 43333 or email sales@cricketts.co.uk
